

Patent Landscaping

Compete . . . Partner . . . SUCCEED

Your Competitive Edge

Compete

Learn who is in your space
Reveal what they are patenting
Uncover their strengths, weaknesses, needs
Strengthen your IP to gain market share

Partner

Discover who needs what you've got
Identify who has what you need
Explore freedom to operate strategies

SUCCEED

Raise more money faster
Compare possible acquirers
Spot technology gaps you can fill

Each Patent Landscape Includes:

- ✓ Worldwide patent search
- ✓ Comprehensive report of patents and players
- ✓ Vivid illustrations of key data
- ✓ Electronic delivery for easy use in presentations, business plans, proposals
- ✓ Expert guidance throughout that builds your internal knowledge base
